

SIGNATURE TOUR 2020

8th – 16th October 2020

THE JOURNEY

Signature Tour 2020 will see us celebrating the community of Tour de Cure, and the impact we make together.

Join us as we travel from Newcastle, then head inland to the Hunter Valley wine region before meandering north. The tour will ride through the northern tablelands countryside before crossing the border to the sunshine state, and finishing in the popular holiday destination of Noosa Queensland. This is some of the best riding in Australia, and you will be inspired by incredible stories about our communities along the way.

Apply today and be welcomed into the Tour de Cure family as we continue to ride to cure cancer.

CANCER-FREE KIDS

Along the way you'll help us share our cancer awareness message with over 5,000 school kids. Our 'Be Fit, Be Healthy, Be Happy' message teaches how healthy lifestyle choices can significantly reduce their risk of getting cancer.

Joining us means that you will be helping to raise vital funds for the game-changing cancer research, support and prevention projects that will bring our dream of a world without cancer closer to reality.

However you choose to fundraise for Tour de Cure, you are helping us to tackle cancer. Thank you.

FUNDRAISING

We're passionate about raising money to keep researchers looking down their microscopes. And that's where you come in!

Signature Tour team members are required to raise:

- Full Tour Rider - \$12,000 minimum, inclusive of a \$1,000 personal donation
- Support Crew - \$2,500 minimum, inclusive of a \$250 personal donation
